The 7th grade class's theme this year is embracing the many catalyst moments in your school year through **problem-solving** and **advocacy**. As a member of the 7th grade class, you will have many learning opportunities to problem-solve, advocate for yourself, and celebrate your successes. In this first year of middle school, you will grow as a student and young adult, meeting new friends and creating many fun memories.

Get curious! Get involved!

Check out the Unami website for the various ways you can grow as a member of the school community.

What is Team?

Unami's 7th Grade is organized into two teaching teams--
Spark & Ignite

Your Team is your "home base," more than just a location of teachers and classrooms.

Your teachers meet to plan team activities, coordinate lessons and due dates, discuss student progress, and how to **ignite & spark** your learning. Your teaching team looks out for you!
