

Dear 2nd Grader,

Welcome to **Room 10!** I hope you had a wonderful summer and are as excited as I am for you to begin second grade. There are so many fun things I have planned for us this year, and I can't wait to share them with you.

I am a mom of three boys. Their names are Landon, Jace, and Callen. Landon is going into fourth grade, and Jace and Callen (who are twins) will be going into first grade. Mr. Brosious is a principal, so our whole family is excited for the start of a new school year! We love to fish, hike, camp, and play sports together. The boys play soccer and baseball, so most of my free time is spent on sports fields cheering them on. I am also a HUGE book lover. Books have the ability to take you on so many adventures and I can't wait to share some of my favorites with you.

In second grade we will learn many new things such as multi-digit math problems, animal habitats, and how sound travels. We will also read tons of books together. While this may sound like a lot, don't worry, we have plenty of fun while learning too.

On our first day of school, **September 5th**, please bring a few pictures from your summer to share with the class. I will share some as well. I am so excited to go on many different adventures with you this upcoming school year!

Your Second Grade Teacher,

Mrs. Brosious

SCHOOL SUPPLIES
